I don't mind you telling me what's been on your mind
lately
I don't mind you speaking up
I know sometimes I can be all wrapped up and into me
I can be in such a rush

Just slow me down, slow me down
Tell me tomorrow everything will be around
Just slow me down, slow me down
You're the one who keeps me on the ground

Baby, you can be tough
Say enough is enough
You can even be blunt
Just do it with love, love, love
You can tell me I'm wrong
That I'm coming on way too strong
Don't think I'd be crushed
Just do it with love, love, love, love
Just do it with love, love, love, love
Just do it with love.

I can take your honesty, all your words sway heavenly
List'nen to you all the time
I wanna be there for you, the way you've been there for
me
Always help me walk the line

And slow me down, slow me down
I know you will always be around

Baby, you can be tough
Say enough is enough

You can even be blunt
Just do it with love, love, love
You can tell me I'm wrong
That I'm coming on way too strong
Don't think I'd be crushed
Just do it with love, love, love, love
