(Chorus)

Itâ€™s already done, done, already done, already done

not gonna cry no more

Worry no more

Iâ€™m gonna praise you like itâ€™s already done

Itâ€™s already done, done, already done, already done

Iâ€™m gonna raise my hands

Do my dance

Iâ€™m gonna praise you like itâ€™s already done

V. 1

Itâ€™s so hard to smile when I really wanna cry

I got so many people around, but Iâ€™m lonely in spite

I remember you said you would never leave

I remember how far youâ€™ve brought me

So I hold on to your promise and Iâ€™ll be optimistic

I know if I have you, Iâ€™m gonna get through this,  
done ( ohh)

(Chorus)

V2

But wait a minute

My circumstance is saying no ( no)

But wait a minute, Iâ€™ve read youâ€™ve done the  
impossible( yea)

But itâ€™s hard to believe when all I can see is my  
struggles

But I still come to the altar, I still give you my praise,

Iâ€™m not where I wanna be, but itâ€™s not where

Iâ€™m gone stay

Itâ€™s already done

(Chorus)

(Bridge)

Because (It's over)  
No more crying at night  
(Over)  
I'm wiping these tears from my eyes ( yea)  
(Over)  
See things can't stay the same when I call your  
name, JESUS  
(Over)  
It's over now, over now ( yeaaa)

(Chorus)
