Chorus:

What if you've lost and you can't find the pieces inside?
What if you've lost, what if you're blind?
What if you've lost and you can't find the pieces inside?
What if you lost and you can't find

I see that days go by without meaning
I wanna feel so high, pretend I'm dreaming!
My heart is crucified when I feel like I don't belong in
this life

Chorus:

What if you've lost and you can't find the pieces inside?
What if you've lost, what if you're blind?
What if you've lost and you can't find the pieces inside?
What if you lost and you can't find

I want the sun to shine, but I'm bleeding
Just give me one more time, forgive my treason!
I cannot turn back time, so give me a reason
Please let me out in the light!

Chorus: (x2)

What if you've lost and you can't find the pieces inside?
What if you've lost, what if you're blind?
What if you've lost and you can't find the pieces inside?
What if you lost and you can't find
