The things that never were!
Escape!
To/from reality!
That never was!
That never will be!

Prohibit!
All the little things!
Crawl!
Into serenity!
That could've been!
That will never be!

[Chorus:]
Smile - I said smile you slime

Smile!
It's all falling apart!
Plunge!
Into catastrophe!
That was today!
That remains the same!

[Chorus]

It's all falling apart

[Chorus]

And Oceans Picturesque Cataclysm Saviour And The
Little Things That Make Us Smile
