Kansas City blues
messing up your head
noddod on the burn
wishing I was dead
shit is only shit
running through your brain

I'm not the one who lies
I'm not the one who dies

feel so empty
I'm all right
situation's fine
(all right all right all right)

shoot up I'm around
mariachi plays
graffiti demon eyes
craves the great machine
the only things we need
cocaine and vaseline

I'm not the one who lies
I'm not the one who dies

Feel so empty I'm all right
Situation's fine
(all right all right all right)
Feel so empty I'm all right
Situation's fine
(all right x 7)

Christ you thought was dead
Nazi figure head
The heart that we don't need
pump piss and gasoline

I'm not the one who lies
I'm not the one who dies

Feel so empty I'm all right
Situation's Fine

(all right all right all right)

Feel so empty I'm all right
Situation's Fine

all right x 33
