"It's just been too long," is what they're sayin'  
I show them my mask and they don't know  
How it's stuck in my head and it just won't go away  
I miss you so much

How did it come to be? I'm livin' with remains of me  
In this loneliness I'll see, I couldn't leave you alone

Now what they say is just, "Stay away"  
Mask in my hands, now they all know  
The closer I get, The more I'm pushed away  
I want it so much

How did it come to be? I'm livin' with remains of me  
And in this loneliness, I'm gonna show you  
I couldn't leave to love you, to need you  
To take you down, I love you

Now that it's all been seen  
There's no one left for me to be  
And in this honesty you'll see

I won't leave you to love you, to need you  
To take you down, I love you  
I fuckin' love you, I love you  
I'll never, never leave you
