I don't know and I don't understand  
Why can't a man be a man  
Ohohoh ohohoh ohohoh ....  
Yeah yeah colour of love of love of love mhmh  
Ohohoh ohohoh ohohoh ....  
Yeah yeah  
Give a little, take a little, give a little  
Colour of love  
Give a little, take a little, give a little  
Colour of love  
To hear your voice, girl it breaks my will  
More than words can explain how you make me feel  
I got your telephone number, I hear her ringin'  
On my mind, girl, there's just one thing  
Is to make your mind bring you happiness  
I like your love as alone you do always  
First I'm not a common man, don't want you rap  
Turbo B. is a bubble and you know it - know it ....  
Give a little, you know I've gotta take a little  
Because I wanna give a little  
It doesn't matter where you may come from  
We're talkin' 'bout the colour of love  
Ba-da-dum-doo ....  
What colour is love she you cannot tell me  
And if you try, see, you would not reach me  
I live to ??? for the fact that I am  
MC Turbo B. and I'm my own man  
Colour stripped off prejudice  
??? of bothers of my loveless  
So friar my man to understand if you will  
There's no colour of love - so shift  
Colour of love  
Give a little, you know I've gotta take a little  
Because I wanna give a little  
It doesn't matter where you may come from  
We're talkin' 'bout the colour of love  
Ba-da-dum-doo ....  
Give a little, you know I've gotta take a little  
Because I wanna give a little  
It doesn't matter where you may come from  
We're talkin' 'bout the colour of love  
Ba-da-dum-doo ....

Who's to say when love is real  
That colour should change how I feel-acapo
