Do ya, do ya, do ya, do ya see the light
Do ya, do ya, do ya, do ya see the light
Do you see the light?
You can always call my name and I'll be there

Do ya, do ya, do ya, do ya see the light
Do ya, do ya, do ya, do ya see the light
Ooh ooh ooh ooh
Ooh ooh ooh ooh

Life is what you make it
A choice for you, decide what to do
And love is worth a taking
A light that shines it's way from me to you
I'll be looking for it, searching for it
Looking for the light
I'll be looking for it, searching for it
Looking for the light

Do you see the light shining on you
It's coming straight to your heart
Oh, do you see the light, what can you do
Nothing can keep us apart

Do ya, do ya, do ya, do ya see the light
Do ya, do ya, do ya, do ya see the light
Do you see the light?
You can always call my name and I'll be there

I'll be looking for it, searching for it
Looking for the light
Do you see the light?
Do you see the light?
You can always call my name and I'll be there

I'll be looking for it, searching for it
Looking for the light Do you see the light?
Oh oh, do'y do'y do you, oh oh
Oh oh, do'y do'y do you, oh oh

Life is what you make it
A choice for you, decide what to do

And love is worth a taking
A light that shines it's way from me to you
Oh oh, man I try to live forever
I won't tell the world about this love
Oh oh, cause it's a choise, we'll be together
Light shine love

The light, the light, the light, the light
The light [Do ya, do ya], the light [do ya, do ya see the
light]
The light [Do ya, do ya], the light [do ya, do ya see the
light]
