Oh oh oh oh, Mary, Mary
Mary had a little boy but little did she know
That everywhere that Mary went the little boy was sure
to go
Mary, a girl at a party
Pretty face, fantasy body
On the strength girl was fine
Mission: make her mine

Here she comes, should I talk to her now
Yes, it's now or never
Mary had a little boy but little did she know
That everywhere that Mary went the little boy was sure
to go

Oh oh-oh-oh ooh-oh, Mary
Oh oh-oh-oh ooh-oh, Mary

Hello Mary, how's your day
Hope it's going in the right way

How about it, what do you think
Ended statement with a wink
Mary had a little boy but little did she kn
