Rhythym is a dancer  
It's a soul's companion  
You can feel it everywhere

Lift your hands and voices  
Free your mind and join us  
You can feel it in the air, oohh

Rhythym is a dancer  
It's a soul's companion  
You can feel it everywhere

Lift your hands and voices  
Free your mind and join us  
You can feel it in the air  
Ooh, it's a passion  
Ooh, you can feel it in the air  
Ooh, it's a passion  
Ooh, ooh, ooh, oh
