[Do ya, do ya, do ya, do ya see the light]  
[Do ya, do ya, do ya, do ya see the light]  
Do you see the light?  
You can always call my name and I'll be there  
[Do ya, do ya, do ya, do ya see the light]  
[Do ya, do ya, do ya, do ya see the light]  
Ooh ooh ooh ooh  
Ooh ooh ooh ooh  
Life is what you make it  
A choice for you, decide what to do  
And love is worth a taking  
A light that shines its way from me to you  
I'll be looking for it, searching for it  
Looking for the light

It's coming straight to your heart  
Oh, do you see the light, what can you do  
Nothing can keep us apart  
[Do ya, do ya, do ya, do ya see the light]  
[Do ya, do ya, do ya, do ya see the light]  
Do you see the light?  
You can always call my name and I'll be there
