the most high
and sacred
a love to die for.
complete commitment
your spark, your fire.
For this i will not,
give in.
Its un-tainted,
this is so sacred, its so sacred
and it sets the tone
and the rhythm of your, life.
Live your life.
and i wont
dissolve under
those distractions of
those temptations of
false endeavors.
This is so sacred, its so sacred
and it sets the tone
and the rhythm of your, life.
Live your life.

No matter where your at now
it takes you
back home again to
your safety and
your true meaning
this is so sacred, its so sacred
and it sets the tone
and the rhythm of your, life
live your life,
now.
distractions
down, ambitions
now.
distractions
down, ambitions
now.
distractions
down, ambitions
now.
