Well, the field is wide open  
With endless new lands  
And infinite landscapes  
For us to create, now

Yeah, I want to live in another light  
Yeah, I want to live  
Here the walls keep closing  
As we suffocate, but a door just opened, wide

Yeah, I want to live in another light  
Yeah, I want to live  
Ohh, we cannot let us die  
We must prepare, prepare

For the time to rise and then  
We'll face the truth  
Ohh, we cannot let us die  
We must prepare, prepare

For the time to rise and then  
We'll face ourselves  
We'll face, we'll face, we'll face ourselves  
We'll face, we'll face, we'll face ourselves

Ohh, yeah, I want to live in another light  
Yeah, I want to live  
We'll face, we'll face, we'll face ourselves  
We'll face, we'll face, we'll face ourselves
