Yo, this is SnapCracklePop, and this is how we do it,
Yeahhhhh!
(Snap Crackle Pop)

Its 4 in the morning, I can't get out of this place unless I
drive home drunk tonight
How the hell did I get here? [7x]

I woke up the party was over, the music was blaring
and everyone's staring at me
Cause my shirt was inside out, there was two girls
making out seems like the party's was over soon as
patrol went out
And I think that It's funny how I walk out the door and I
hear everybody say
You should of seen what you did last night [2x]
(You should have seen what you did last night, thats
right, spin you around like a merry-go round! [x2]

You know I'm not saying, if you wanna drink and drive,
I'm just saying, you dont want an ugly, ugly spirit, You
know what I'm saying?

Its 4 in the morning and I can't get out of this place
unless I drive home drunk tonight
How the hell did I get here [6x]

Right, Right, Right NOW! [9x]

Next time the drinks on me [4x]
Ohhhh
(Thats all bitch thats all bitch thats all bitch)

Good damn I had to climb over 8,000 piles of beer cans
just to get to the fucking door. What the fuck happened
last night?

Its 4 in the morning and I can't get out of this place
unless I drive home drunk tonight
How the hell did I get here [6x]

1 sip 2 sip 3 sip 4 [2x]

Hit the floor bitch yeah [4x]

And when I get home god damn I'm gonna be so
grounded [3x]
Its 4 in the morning and I can't get out of this place
unless I drive home drunk tonight
How the hell did I get here [6x]

I woke up the party was over.
