Thinkin about you girl because I'm so far away from you  
Want in you to know that this love for you is always true  
Not a day goes by that I don't see you in my eye  
But I try to carry on my guard so lonely I could die  
And my heart feelin the sparks that you be givin me  
Why are we in two different places, girl, you know it's insanity  
The man in me is what I got to find to carry on

This song is what I'm sending to you girl, it's been too long

Chorus
