Te noÄi ponovo je doÅila  
U moj mali grad  
Znam kad i s kim  
Znam da je s njim.  
Kao nekad miriso joj trag  
Na lipe i med  
A oÄ i caklile samo mene pratile.

Dabogda crko mjesec Åut Åto joj pokaza put  
Koji vodi do mene.  
Dabogda crko mjesec Åut, koji po ko zna koji put  
Budi uspomene.

Pustite me, da se s duÅjom rastavim  
Kad ne mogu da je ostavim.

Te noÄi je donijela ljeto i bila najljepÅa  
Uzela svu sreÄu da je s tugom pomjeÅa.  
Kao nekad miriso joj trag  
Na lipe i med  
A oÄ i caklile samo mene pratile.

She came again that night to my little town  
I know when and with whom  
I know she's with him  
Like once her scent smelled  
of lime trees and honey  
But her eyes where sparkling, they were only following me  
May the the yellow moon burst cause it has shown her the way that leads to me  
May the yellow moon burst, which who knows for how many times  
It's awakening memories  
Let me (be), separate (myself) from my soul  
When I can't leave her alone

That night she brought the summer and she was the most beautiful  
She took all the happiness to mix it with pain  
Like once her scent smelled  
of lime trees and honey  
But her eyes where sparkling, they were only following me
