You can travel the world
But you can't run away
From the person you are in your heart
You can be who you want to be
Make us believe in you
Keep all your light in the dark
If you're searchin for truth
You must look in the mirror
And make sense of what you can see
Just be
Just be

They say learning to love yourself
Is the first step
That you take when you want to be real
Flying on planes to exotic locations
Won't teach you
How you really feel
Face up to the fact
That you are who you are
Nothing can change that believe
Just be
Just be

'cause now I know
It's not so far
To where I go
The hardest part
Is inside me
I need
To just be
Just be

Just
Just
Just
Just
Just be (x3)

I was lost
And I'm still lost

But I feel so much better

'cause now I know
It's not so far
To where I go
The hardest part
Is inside me
I need
To just be
Just be
