Only love  
Only love and water  
All I really need  
I tried to hide  
Tried to run away to my so-called retreat

It don't take much  
To keep me from the fire  
And out of touch  
With the only thing I'm dreaming of

Only love  
Only love and water  
All I really need

The birth is pain  
The baby's beautiful  
But you don't seem to care  
Somehow I need to make you see  
That I can't meet you there

It don't take much  
To keep me from the fire  
And out of touch  
With the only thing I'm dreaming of

Only love  
Only love and water  
All I really need

(Instrumental)

It don't take much  
To keep me from the fire  
And out of touch  
With the only thing I'm dreaming of

Only love  
Only love and water  
All I really need

Only love  
All I really need
