Yeah...Aah shit...

It's about time we set it off again bitch

With so many bitches in the industry

I'm being sweated by this bitch and her name is Snoopy

But huh somehow someway

she keep suckin Smooth B and Slick Rick dick every  
single day

Can...I...fuck you for a while

Hey...Bitch...you know you like my doggy style

I'm tryin a figure something out

why you live with yo mama while my pad is free ?

You can come to my crib and lick my nuts

Suck on my dick 'till I bust a nut

Huh, so watcha gonna do ?

Bitch you ain't got what Dr.Dre boy you can't do shit

So close the doors and turn off the light

coz you'll be suckin my dick all night

and you can drink a cup of piss

Tim Dog is on tha set, muthafukka, bounce to this

[CHORUS:]

Bitch with a perm! Bitch with a perm!

I don't give a fuck about a bitch with a perm!

(4x)

I'm sittin in my crib watchin MTV

when this skinny muthafukka on the telly try to diss me

He try to flex on the D-O-G

but if I gave the bitch binoculars he still couldn't see me

So shake yo muthafukkin rattle

and leave yo fuckin 9 at home and bring yo skills to the battle

Like Jeru, I'm gonna damage you

and I'm starvin for success and yo ass is a muthafukkin sandwich

It's a pity fake niggaz gotta show off

I'll bust yo skinny ass with a sawed off

I heard yo mother was a dope fan [word]

I heard yo father was a dick fan [word]

and when yo ass was locked up in the county jail

I heard you pressed up Lee jeans [sssshht]

So step back from the lyrical maniac rippin yo track

and as a fact, I can never be whack

And if you wanna know who can fuck around

Dog is tha man who can buck you down!

[CHORUS] Yeah, it's like that

Check it out

I'm the original hardcore lyric ballbreaker

when it comes to whack MC's no I'm not a funk faker

I just smash, crash on that ass and put that ass in the

trash

like it's nothin yeah you learned in class

I'm a real MC and I'm on my own

and if nobody got my back, I can hold my own

If I die then I die, if I live then I live

As long as hip-hop's alive, I got something I can give

I don't care if you don't think I can win

And I don't care if you don't wanna be my friend

And if the pound get mad and they wanna step in

Come on y'all, step right in...bitch

[CHORUS] It's like that (4x)

Yeah

It's like that

Yeah

Yeah nigga, that's how it's going down

You dis me, I'm a dis you

But we ain't gonna waste each other's time

Let's battle you bitch

I'll end yo fuckin career

Ya stole ya style from Slick Rick

You sound like Smooth B

Nigga you ain't got shit on me

and you tryin to fuck with the Dog ?

Nigga I'm kickin yo ass like an animal

Let's do this nigga

Nigga, nigga with long hair

Nigga you's a bitch with a perm

nigga that's what you is

So don't ever try to front on me nigga

Step off of all that bullshit

And I'm outta here

...BITCH
