Get on the gospel train for my Lord is coming soon
Get on the gospel train for my Lord is coming soon

So you had me going too, any day I've the taste just
laughed
On a week of solar wings, getting off on electro-flesh
All the boys and all the girls, making out we're taking
turns
The sound was going down, I could see how Jesus wept

Get on the gospel train for my Lord has come to soon
Watching movies, true blue movies
Get on the gospel train for my Lord has come to soon
Watching movies, true blue movies

Exposure on a TV screen, Technicolor rainbow kiss
Bruises on his solarplex, baby faced the biting lips
All the boys and all the girls, cutting noise with instant
thrills
Insects on incest friends, heaven dressed the Judas
film

Get on the gospel train for my Lord has come to soon
Watching movies, true blue movies
Get on the gospel train for my Lord has come to soon
Watching movies, true blue movies

So whatever happened to love talk and polite remarks
Mind willing and her body weak
She's a star in a galaxy of real go fast
I'm the boy on all the girls
Taking off their Bible belts storm girls on self destruct
And I can see how Jesus felt

Get on the gospel train for my Lord has come to soon
Watching movies, true blue movies
Get on the gospel train for my Lord has come to soon
Watching movies, true blue movies

Get on the gospel train for my Lord has come to soon
Watching movies, true blue movies
Get on the gospel train for my Lord has come to soon

Watching movies, true blue movies

Get on the gospel train for my Lord is coming soon
Get on the gospel train for my Lord is coming soon
Get on the gospel train for my Lord is coming soon
Get on the gospel train for my Lord is coming soon
