"Can't Find My Way Home"

Come down off your throne
Leave your body alone
Somebody's gotta change
You're the reason I've been waiting for so long
Somebody holds the key and it ain't me
Well I'm merely ahead
And I just think at the time
What's more I'm wasted
And I can't find my way home

Come down on your own
Leave your money at home
Somebody's gotta change
You're the reason I've been waiting all these years
Somebody holds the key and it ain't me
Well I'm merely ahead
And I just think at the time
What's more I'm wasted
And I can't find my way home
