And in the streets
I watched a thousand babies burn
How can I get myself, get myself clean

I nailed a thousand silver nails into my (...)

And he said girl, see what I mean
It's gonna take a million waterfalls to wash yourself,
wash yourself
Clean
I watched these thousand babies burn
And in the midst of my, midst of my dream
I watched these thousand babies burn, baby burn baby
burn
Clean
I watched these thousand babies burn, baby burn baby
burn
