Verse 1

He said I was in my early forties, with a lot of life before
me
And one moment came that stopped me on a dime
I spent most of the next days, looking at the x-rays
Talking bout' the options and talking bout' sweet times.
I asked him when it sank in, that this might really be the
real end
How's it hit 'cha when you get that kind of news?
Man what did ya do?
He said

Chorus

I went skydiving
I went rocky mountain climbing
I went two point seven seconds on a bull named Blue
Man Chew
And I loved deeper
And I spoke sweeter
And I gave forgiveness I'd been denyin'
And he said some day I hope you get the chance
To live like you were dyin'

Verse 2

He said I was finally the husband, that most the time I
wasn't
And I became a friend, a friend would like to have
And all of a sudden goin' fishin, wasn't such an
imposition
And I went three times that year I lost my dad
Well I finally read the good book, and I took a good
long hard look
At what I'd do if I could do it all again
And then

Chorus

I went skydiving
I went rocky mountain climbing
I went two point seven seconds on a bull named Fu Man
Chu
And I loved deeper

And I spoke sweeter
And I gave forgiveness I'd been denyin'
And he said some day I hope you get the chance
To live like you were dyin'

Bridge

Like tomorrow was a gift
And ya got eternity to think about what to do with it
What could you do with it
What did I do with it
What would I do with it

Skydiving

I went rocky mountain climbing
I went two point seven seconds on a bull named Blue
Man Chew
And I loved deeper
And I spoke sweeter
And I watched an eagle as it was flyin'
And he said some day I hope you get the chance
To live like you were dyin'

Live like you were dyin'

To live like you were dyin' x4
