We are gonna rule the world  
Don?t you know, don?t you know  
We are gonna rule the world  
Don?t you know, don?t you know  
We?re gonna put it together

We are gonna rule the world  
Don?t you know, don?t you know  
We are gonna rule the world  
Don?t you know, don?t you know

We?re gonna put it together  
Want to put it together  
We?re gonna put it together  
Want to put it together  
We?re gonna put it together now  
Together now

Listen me all  
We're gonna tell you  
The most important thing  
That you've never  
Heard in your life  
You've never heard that before  
We came from me a superworld  
World of rational energy  
And we live  
The (?) world  
World of animal's energy  
Read the book  
The only book  
The book of God  
"Universe In Disenchantment"  
And you gotta know the true

Oh, right, man  
Play the guitar
