Don't know much
About history
Don't know much biology
Don't know much
About a science book
Don't know much
About the French I took

But I do know
That I love you
And I know that if you
Love me too
What a wonderful world
This would be

Don't know much
About geography
Don't know much
Trigonometry
Don't know much
About algebra
Don't know what
A slide rule is for

But I do know one
And one is two
And if this one
Could be with you
What a wonderful world
This would be

Now I don't claim
To be an A-student
But I'm trying to be
For maybe by being
An A-student, baby
I could win
Your love for me

Don't know much
About history

Don't know much biology
Don't know much
About a science book
Don't know much
About the French I took

History, biology
Science book
French I took
Yeah

But I do know one
And one is two
And if this one
Could be with you

What a wonderful world
This would be
