Sorry, sorry, sorry, sorry, IÂ'm sorry
What you gonna do when you cross that line, cross that
line, cross that
line?
And what you gonna do when you run out of time, run
out of time, run
out of time?
What you gonna do when you cross that line, cross that
line, cross that
line?
Â"Sticky fingersÂ"
And what you gonna do when you run out of time, run
out of time, run
out of time?
Â"Facts and figure endsÂ"
oh oh oh OH

All we had was good, just like it should
When we were young
We were just nineteen, oh such a scene
When we were young

Sorry, sorry, sorry, sorry, IÂ'm sorry
What you gonna do when you cross that line, cross that
line, cross that

line?
Â"I told you to eat your dinnerÂ"
And what you gonna do when you run out of time, run
out of time, run
out of time?
Â"IÂ'm in trouble with youÂ"

All we had was good, just like it should
When we were young
And all you would be kings, you fearless things
Where are you now?

DonÂ't you throw it away, donÂ't you throw it away
DonÂ't you throw it away, away

All we had was good, just like it should

When we were young
We were just nineteen, oh such a scene
When we were young
And all you would be kings, you fearless things
Where are you now?
