Time to criticize these bitches

How gyal a moggle and cann buy hair
How she come a dance an frack tear tear
And she a wonder how she lonely when she a gacamoly
man nah brush dem out like bear
Go look inna di mirror how she shape like sqaure
The video man pause it wen she come near
An ah talk bout she a wine and ah wiggle her spine ah
nah wine dat ah red strip bear.

No stress
Oh yes
Stress free
Guddup, guddup we ah deal wid
Progress no less
God bless me so who ready fi test mi
[X1]

Dem wann go a doctor cause them fine
aborshotdemelection
Vampire can show them reflection
Some fi deh a prision deh gi man erection
Some a plan b goodas 1st choice selection
And when we step inna the club we feel the tension
And nuff of dem a suck old man fi pension
We hot enough fi get di video man attenytion
(Dance contest she ah depend pan)

No stress
Oh yes
Stress free
Guddup, guddup we ah deal wid
Progress no less
God bless mi so who ready fi test mi
[X1]

I've got ot be an inspriation to all potential hotness
(Show dem how fi do it)
(Show dem sey we need it)
An nah abuse we uncle fat ness

When nuff of dem look like dem neck ponit up weh
dem call face slaverly

Tell sey we see it worse she nah have no teet
So how dem fi talk to Jullie Godbless

No stress
Oh yes
Stress free
Guddup, guddup we ah deal wid
Progress no less
God bless me

None of dem cann hype like we
And den nah have no strip lik weh
So any time you see mi come around dem cann tek
video light like weh

No stress
Oh yes
Stress free
Guddup, guddup we ah deal wid
Progress no less god test mi
