Naqarot

Men seni yorim desam,  
Yoningda yoring bor ekan!  
Ko'ngling o'sha yorga zor ekan-e,  
Nima qilaman, ayt!  
Seni vafodor desam, ranjima, vafo yo'q ekan!  
Menda hech ko'ngling yo'q ekan-e,  
Nima qilaman, ayt! (2x)

Behuda o'tdimi umrim, seni deb yurib-yurib,  
Endi yorug' kunlarim qolarmi qorong'i bo'lib?  
Ketding-ku sen yuragimdan, sevgimni yulib-yulib-ey,  
Endi men yolg'iz o'tamanmi?  
Nima qilaman, ayt!

Naqarot!

Har kun seni o'ylab-o'ylab,  
qolmadi tanamda jon,  
Ketdi-ku tugal oromim,  
sog'indim seni yomon,  
Topolmadim manzilingni,  
qaylardan etding makon,  
Sensiz ahvolim bo'ldi yomon-ey,  
Nima qilaman, ayt!

Naqarot!
