I I'm reaching up for the sun
With a piece of everyone
That's taking over
What you are feeling

You, you, you, you
Can take, take, take, take, take
My heart tonight
But it won't break

We are falling down to the floor
Our minds can take no more
A voice of violence is all I am hearing

You, you, you, you
Can take, take, take, take, take
My heart tonight
But it won't break
For you

What are we doing with our lives
Would you take it back if you could see the signs
Burnt out is all we feel
With this brand new disease (x3)

Burnt out is all we feel (x2)
