Looking back I don't know what went wrong  
We got to meet the collector or he will take us all  
So why are we  
Giving up our side  
Why are we  
Going down tonight  
Why are we  
Always giving up our life all the time

You're not taking the person the I love  
You're not taking her from me  
Breathing in both of our lives  
Finding out where we went wrong

Standing in the way of control  
I don't think we will give up  
We had all the chances that we need  
Now we can not fuck it all up  
So why are we  
Giving up our side  
Why are we  
Going down tonight  
Why are we  
Always giving up our life all the time

You're not taking the person that I love  
You're not taking her from me  
Breathing in both of our lives  
Finding out where we went wrong

Taking on the world  
That blocks our light  
You've got to meet the collector  
Or he will take us all  
You've got to meet the collector  
Or he will take us all

Breathing in both of our lives  
Finding out where we went wrong  
Taking on the world  
That blocks our light

You've got to meet the collector  
Or he will take us all  
You've got to meet the collector  
Or he will take us all  
Meet the collector or he will take us all

You've got a secret that I want to know  
You've got a secret let it unfold (x2)
