Head over heels falling faster  
Spinning wheels go round and round  
No big deal  
One more disaster  
I'll take my chances  
I'm just falling down

Cause I feel like I'm falling in love  
I feel like I'm falling in love  
This time it's different  
This time it's real  
I feel like I'm falling in love

I'm not afraid of my heart breaking  
I have paid that price before  
All my mistakes  
Add up to nothing  
We've got something  
I want more

I feel like I'm falling in love  
I feel like I'm falling in love  
This time it's different  
This time it's real  
I feel like I'm falling  
I feel like I'm falling  
I feel like I'm falling in love
