if tomorrow never comes
i wont give a damn
if tomorrow never comes
i will not be afraid to meet my maker
just the way that i am
you cant prove anything
but one thing is true
if you can steal from me
i can steal from you

any kind of heaven every body doesnt get in
wont seem like a heaven to me
they tell you that the garden of eden was perfect
but you couldnt even eat off the apple tree
and for heavens sakes look out for that snake
lying to your woman constantly
adam must have scratched his head
looked up and said
lord this just isnt doing it for me

if tomorrow never comes
i wont give a damn
if tomorrow never comes
i dont want to be afraid
to come and meet you just the way that i am
i cant do anything im dying too
if tomorrow never comes
tonight will have to do

i say i dont ever claim to know whats going on around
here
i dont even know where im from
i know where im going when i get to where im going
what im doing when i get done
you tell me im forgiven if i need to be
i say permission ought to come that easily
im piling cores up underneath this apple tree
singing oh lord have mercy on me

if tomorrow never comes
and tonight is all i got
if tomorrow never comes

i dont want to be afraid
to come and meet you just the way that im not
cant do anything
and then you die
judge the judgemental and what am i?
aaahhhhhh

either way im every guy i ever tried not to be
i want everything as good as it gets
ive learned nothing but that there is another sun rise
coming
all but one of the times it sets

and if tomorrow never comes
tomorrow never comes
if tomorrow never comes
tomorrow never comes
if we were all good people
we could work in perfect rythmn
if worms had daggers
birds wouldnt fuck with them
