### "She Can"

She looks like christmas morning  
She tastes like cheap champaign  
She poses like a photograph  
When I call out her name  
Everything she does  
Dancin' just because  
She can

She don't wake up early  
She tosses in her sleep  
I kiss her tattoo  
When she lies with her back to me  
Everything she does  
She smiles just because

She's so perfect, I swear  
She's so worth it, I swear

Everything she does  
She does it just because  
She can

She's so complicated  
She keeps me on my toes  
I tell her that she's beautiful  
But she already knows  
Everything she does  
She's killin' me because

She's so perfect, I swear  
She's so worth it, I swear

Everything she does  
She does it just because  
She can

She hates new york city  
She don't watch tv  
"my hotel bed is home" she said  
And that's alright by me  
Everything she does

She gets her way because

Everything she does  
She does it just because  
She can
