Father bring me back the hall of souls  
Take my hand and say "Come on"  
There's someone to justify the shows  
A space in my head seems to be sold  
Where are you now?  
where are you?  
I'm so sad, I feel bad

Where are you?  
I'm so sad, I feel bad

Mother take me back don't wanna go  
Bring me to a better place  
There's someone who needs me now  
It's a sweetie person with a pretty face

Where are you?  
I'm so sad, I feel bad  
Where are you?  
I'm so sad, I feel bad

(Mumo sche tato unse sin setz wrou  
se vju la woj numelesa singure  
Mjemje frigk jo nu wrou ratt nikat wische

Vater Mutter wo seid Ihr  
Ich will bei Euch sein,  
lass Mich nicht allein  
Ich will keinen krieg,  
niemals, niemals wieder  
(mir ist so kalt) )
