

And One

"Metalhammer"

Take this deadly tool
And feel the daily routine
You go to work for money and for me

Metalhammer here, Metalhammer there
Metalhammer, Metalhammer
You'll take it everywhere.

Metalhammer, lovely tool
Tell me what I am
Treating you is the only thing I can
Thank you for the money
Help me to survive
Metalhammer, Metalhammer
Help me to stay alive.

Stay alive

Metalhammer here, Metalhammer there
Metalhammer, Metalhammer
You'll take it everywhere.

Metalhammer, lovely tool
Tell me what I am
Treating you is the only thing I can
Thank you for the money
Help me to survive
Metalhammer, Metalhammer
Help me to stay alive.

Take this deadly tool
And feel the daily routine
You go to work for money and for me

Metalhammer here, Metalhammer there
Metalhammer, Metalhammer
You'll take it everywhere.
