Movie Star oh Movie Star  
You think you are a Movie...  
Movie Star oh Movie Star  
You think you are a Movie...  
Star...  
You feel like Steve McQueen  
When you're driving in your car  
And you think you look like James Bond  
When you're smoking your cigar  
It's so bizzare  
You think you are a new kind of James Dean  
But the only thing I've ever seen of you  
Was a commercial spot on the screen  
You should belong to the jet-set  
Fly your own private Lear jet  
But you worked in the grocery store every day  
Until you could afford to get away  
So you went to Sweden to meet Igmar Bergman  
He wasn't there or he didn't care  
I think it's time for you my friend  
Just stop pretending that you are a...  
Frozen hero your works are zero  
And your dreams are vanished into dark long ago
