mother's boy

small and shy

he's a boy in the cage

a man of middle age

wow i think he looks like his mother

all his life a fashion show

a hard man's job - oh no

with a dress in a coalmine - no

mother's boy

small and shy

somebody knew

(somebody knew)

somebody knew the mowing downers

love and fingers

so he left his motherland

to find a metalband

now on bravos band new cover

i can't understand

he's every fathers lover

mother's boy

father's toy

somebody knew
