

And One "Tell Me Lies"

Shadows of deranger
Never bound to return
When unleaving in danger
When I've lost my willing to learn

Drop the line
Fake the sign
Stop the tries

Tell me lies
Tell me lies

Down and lonely
Your eyes are broken
Another day depends on your hate
What a low
Hate to know
Angel in this skies
Tell me lies

We don't blame the unchanger
So never complete the undone
Fayritales of a stranger
We'll end where the whole story began

Drop the line
Fake the sign
Stop the tries

Tell me lies
Tell me lies

Down and lonely
Your eyes are broken
Another day depends on your hate
What a low
Hate to know
Angel in this skies

Tell me lies

Down and lonely

Your eyes are broken
Another day depends on your hate
What a low
Hate to know
Angel in this skies

Tell me lies

Drop the line
Fake the sign
Stop the tries

Tell me lies
Tell me lies

Down and lonely
Your eyes are broken
Another day depends on your hate
What a low
Hate to know
Angel in this skies

Down and lonely
Your eyes are broken
Another day depends on your hate
What a low
Hate to know
Angel in this skies

Drop the line
Fake the sign
Stop the tries
Tell me lies
