I'm the only one guest in my room,  
Should I cry or should I laugh?  
I feel let down, I feel deceived now,  
Like a needy in the crowd.

Now I'm the only,  
I'm the only guest for me.  
I'm the only,  
I'm the only guest you see.

I hear the sounds of trains and birds now,  
Neighbours talking in the dark,  
Pensiveness go up in big flames,  
I think it's time to play new games.

Now I'm the only,  
I'm the only guest for me.  
I'm the only,  
I'm the only guest you see.

I'm the only,  
I'm the only guest for me.

I'm the only,  
I'm the only guest you see.
