

And One "Tonight"

This is what you're waiting for
Open up the second door
Some wise words spoken
Here I am

I never sent a satellite
Pain never stitch polite
Cause you are screaming
Just for me

Leave me now
Cause she's in town
And when she's gone
Nothing remains

Tonight
Something has leaved me
She don't believed me
Nothing to say

Tonight
Cities decreasing
She doesn't need me
Nothing to pray

I know that I have to break
Every second that we take
Dead eyes open
Nothing here

Leave me now
Cause she's in town
And when she's gone
Nothing remains

(2 X)
Tonight
Something has leaved me
She don't believed me
Nothing to say

Tonight

Cities decreasing
She doesn't need me
Nothing to pray

Nothing to pray
