We came to dance
Making moves from a passion play
The ties that bind us just slip away
We came to dance
The piper calls out a different rhyme
He cracks the whip and we step in time

Standing as the parade goes passing by
I hear a voice around me cry
Like the sound of distant drums
Rejected and alone
A heart without a home
And someone said

We came to dance
Making moves from a passion play
The ties that bind us just slip away
We came to dance
The piper calls out a different rhyme
He cracks the whip and we step in time

We came to dance

Waiting as the panic grips my hand
Hearing prose from high command
Like a million times before
No dignity or grace
It's the prize and not the race
And someone said

We came to dance
Making moves from a passion play
The ties that bind us just slip away
We came to dance
The piper calls out a different rhyme
He cracks the whip and we step in time

We came to dance

We came to dance
Making moves from a passion play

The ties that bind us just slip away
"Take what you can", they said
"Take it while you may.
But keep in mind the penalty fits the crime
And it deals no softened blow."

We came to dance
Making moves from a passion play
The ties that bind us just slip away
We came to dance
The piper calls out a different rhyme
He cracks the whip and we step in time
