[Feat. Vee Bozeman]

[Timothy Bloom:]

Ooooooh... if I should die tomorrow  
Oh please let there let there be life  
Laawwd, no need for sorrow,  
Let's just make love until the morning light

I want you to remember me...  
I want you to remember me...  
Lead on my legacy until the end of time... yeah...  
Laaa laaa la la la la la la la  
Laaa laaa la la la la la la la  
Laaa laaa la la la la  
Until the time

[Vee:]

Listen Baby...  
Booooooy, put it inside of me,  
Go ahead and inplant your seed until the end of time  
And aaahhhh... if you should die tomorrow,  
Seed will live on inside of me

[Timothy Bloom:]

I want you to remember me, hey  
I want you to remember me

[Vee:]

I'll lead on your legacy, baby  
Until the end of time

[Timothy Bloom:]

Laaa laaa la la la la la la la  
Laaa laaa la la la la la la la  
Laaa laaa la la la la  
Until the time

Oooh... baby iiiiii don't know what tomorrow holds

[Vee:]

Cause I know you won't leave this world alone

[Both:]  
Let's make it official  
We can make this house a home  
Forever and ever beyond the end of time

Laaa laaa la la la la la la la  
Laaa laaa la la la la la la la  
Laaa laaa la la la la  
Until the time
