Where do we start?
Back to the beginning where we looked towards the
stars
Baby this long road might take us afar
To places where we should've looked before you and I
Since we hooked up, things been going really fast and
crazy, enough.
I'm feeling like I seen this situation enough
To take precaution, hesitant on giving my love

But then again, I might be wrong, oohhhhh
Cause you are so wonderful
And baby I, seem to can't let go

I could love you over and over and over again
Baby this feeling should never could end
I'm lost in emotions, caught in the wind
I'll swallow my pride
And I'll hope inside
That everything we do
Amounts up to being true
Baby it's all on you

But then again, I might be wrong, oohh yeaaa
Cause you are so wonderful
And baby I, seem to can't let go

With all this pain that I'm feeling inside
From you walking in and out of my life
You can't blame the way I'm feeling inside
It's gonna be a long road

La la la la la
La la la la la - la la la la
La la la la la - la la la la la
La la la la - la la la la
La la la la
La la la la la - la la la la la
La la la la - la la la la la
La la la la la - la la la la

I could love you, over and over and over and over
again [x4]
