I woke up in the dark - You were gone  
Tuesday had this effect on me - Like a suicide squeeze  
I woke up in the clothes I had worn - The shoes and  
loathing  
The fear of reprisal - My bitter archrival - Lurking

I woke up and I thought that for once - Tuesday had no  
effect on me  
But I woke up with the sharks - You were gone

I got up - Hit the john - Made some more improvements  
On the revving enginery of the misery machine  
Through the rust I was sure I held gold and rubies  
There I was - Like some lame-ass funk pirate clutching  
his prized booty

(2 for 1 Tuesday's over)  
I woke up and I thought that for once - Tuesday had no  
effect on me  
But I woke up with the sharks - You were gone and  
Tuesday had some revenge  
I woke up and I thought that for once - Tuesday had no  
effect on me  
But I woke up with a shark tooth shirt on and Tuesday  
had some revenge on me

Of all my dreams held in escrow  
The one with Hall of Famer Phil Niekro - I loved the most  
We threw knuckleballs at my Necronomicon  
And steadfastly agreed things go better indeed with  
H.P. - Lovecraft - I mean  
And that Tuesday has its revenge on me

(2 for 1 Tuesday's over)  
I woke up and I thought that for once - Tuesday had no  
effect on me  
But I woke up with the sharks - you were gone and  
Tuesday had some revenge  
I woke up and I thought that for once - Tuesday had no  
effect on me  
But I woke up with a shark tooth shirt on and Tuesday

had some revenge on me
