Can't explain all the feelings that you're making me feel

My heart's in overdrive and you're behind the steering wheel

Touching you, touching me

Touching you, God you're touching me

I believe in a thing called love

Just listen to the rhythm of my hart

There's a chance we could make it now

We'll be rocking 'til the sun goes down

I believe in a thing called love

Ooh!

I wanna kiss you every minute, every hour, every day

You got me in a spin but everything is A.OK!

Touching you, touching me

Touching you, God you're touching me

Just listen to the rhythm of my hart

There's a chance we could make it now

We'll be rocking 'til the sun goes down

I believe in a thing called love

Ooh! Guitar!

Touching you, touching me

Touching you, God you're touching me

I believe in a thing called love

Just listen to the rhythm of my hart

There's a chance we could make it now

We'll be rocking 'til the sun goes down

I believe in a thing called love

Ooh!
