He was an alright boy  
used to be so nice  
until he turned the radio on  
he was only 15  
when he wrote his first song  
now his life had just begun

All he wants right now is  
to go out with friends  
drink and play all night  
he knows his life's a party  
it's not gonna end now  
that's when he feels alright  
all he sees now is a blur

Now he's 25 and  
playing in a band  
recking bars around the world  
he's got alot of fans now  
and he don't care about that  
but he likes the pretty girls

He's an old man now but  
he don't want to change  
still believes in all those things  
he did when he was young  
still a rock n roll rebel  
and he swears he'll never change
