"The Thank-You Song"

We are here to tell you
that we don't care about
the world the pain frustration or the whole damn
human race
weÃƒfÂ, 're not a bunch of creep
trying to sell you lies
weÃƒfÂ, 're just another punkrockband
i hope youÃƒfÂ, 're satisfied

We wanna thank you
for the money and for the food
we would like to thank all
those people who helped us through
when youÃƒfÂ, 're feeling down again
and your world has stopped spinning
then try to think of all the times we had

And we wonÃƒfÂ, 't forget to say sorry
about the cash
we messed up at our concerts
it will never happen again
especially those guys from leech
they are pretty cool
all the bands weÃƒfÂ, 've played with

We wanna thank you
for the money and for the food
and weÃƒfÂ, 'd like to thank you
for paying for this cd
when youÃƒfÂ, 're feeling down again
and your world has stopped spinning
then try to think of all the times we had
