"Night's Watch Oath"

Visit "[Night's Watch Oath](#)" on MotoLyrics.com

Night gathers, and now my watch begins.
It shall not end until my death.
I shall take no wife, hold no lands, father no children.
I shall wear no crowns and win no glory.
I shall live and die at my post.
I am the sword in the darkness.
I am the watcher on the walls.
I am the fire that burns against the cold,
The light that brings the dawn,
The horn that wakes the sleepers,
The shield that guards the realms of men.
I pledge my life and honor to the Night's Watch,
For this night and all the nights to come.
