Humble yourself  
In the sight of your Sister  
Bend down low  
Humble yourself  
In the sight of your brother  
Ask him what he know, and

[Chorus:]  
We shall lift each other up  
Higher and higher  
We shall lift each other up

Humble yourself  
In the sight of the children  
Bend down low  
Humble yourself  
In the sight of our children  
We've got to know what they know

[Chorus]  
Humble yourself  
In the sight of love  
Bend down low and  
Humble yourself  
In the sight of your love  
Let your love

[Chorus]
