Yo, Prodigal. Craig C. I have a dream I wan share with you.

"I have a dream today." Yo. Heh heh. See these visions so clearly now.

Yo, I have this vision in my mind of a world without no hatred

No poverty, no crime, where no guns you can find

No AK, no dock, no 16, no magnum

no handguns, no abnum - none a them you can find

Imagine if we no haffi live in fear

Imagine if the people from uptown see ghetto

And want fi live in there

I'm seeing these visions so clear

My dream world, I wanna go there

I'm dreaming of a day without division

Not separated by na race, nor na sadists, nor even religion

Put your hands, let me see, one name, one destiny

(Bridge)

Bob Marley said it's one blood,

Jr Reddy said it's one blood

Well, this war thing, it makes no sense

I'm sharing the same sentiment

(Chorus)

I'm dreaming of a day

When a shot na bust, and a man na cus, everybody sho join

I'm dreaming of a day

When we all go there, and life is fun and we have no need fi care

I'm dreaming of a day

I'm dreaming of a day

I'm dreaming of a day, yeah, what a beautiful day

Craig C, I'm seeing these other visions

Where we're no longer tricked by politicians

When them a do what them are supposed to

And we don't need a prison, every pay them close to

Imagine if we coulda seen the cops and pass them
Without fear of harassment
And when mi take a look inna di station
Them a mentor di youths giving words of inspiration
This is an dream, and aman vision
This a the fear one and come feed the mission
No forklift fi do, so father God, just help us through,
dance

Chorus

Father give me the vision o mi understand
I'm like Moses leading people to the Promised Land
Help them just to see what I see
I pray, father, you set their mind free
This day shall come
When we shall love
And we shall be
Living just as one (we shall be)
This day shall come
When we shall love (love)
And we shall be
Living just as one (we shall be)

(Cuz I have a dream today!)

Chorus

Every hill and mountain shall be made low,
the rough places will be made clean,
and the crooked places will be made plain,
and the glory of the Lord shall be revealed,
and all flesh shall see it together.

If my people, which are called my name,
shall humble themselves and pray, and seek my face,
and turn from their wicked ways, then will I hear from
heaven,
and will I forgive their sin, and will heal their land.
I don't know about you, but I'm dreaming of that day.
One love.

Free at last, free at last, thank God Almighty! We are
free at last!
